12) San Diego County Water Authority Report. Director Hilliker reported that the WA Board voted to approve an amendment to the consulting agreement with Black & Veatch Corp for the San Vicente Energy Storage Facility Project. Also reported extensive closed session.

13) Director's Report and Ad Hoc Sub-Committees Report. The General Manager summarized the Ad hoc committee progress regarding the Agreement with the City of San Diego to operate the Riverview Well Field is ready for a full Board presentation at the March meeting.
14) Operations Report. Operations Superintendent Johnze reported:

1) Capital Projects:
   Gay Rio Reservoir Roof Replacement: Concrete work progressing-included picture presentation.
   Walnut and Almond Road Pipeline Replacement: Ready to go out to bid.
2) Developer Projects: No updates
3) General Operation:
   Valve Work: Approximately 80% complete for the year.
   Poly service change outs: Three completed
   Part time meter reader position open
4) County of San Diego Projects: Lemoncrest Ave. storm drain project. Contractor has mobilized. The District has installed two valves needed to isolate the new culvert installation.
5) 0 watermain breaks, 2 service leaks, and 0 fire hydrants hit, 2 contractor dig-ins.

15) Manager's Quarterly Report. The General Manager reported on:

1) Riverview Well Field Agreement with the City of San Diego: Agreement is ready for full Board consideration.
2) Investment Outlook. Current market volatility is because of strong economic conditions and inflation concerns, causing improvements in Treasury yields. Current 5 year yields are around 2.6%.
3) Sustainable Groundwater Management Act: Notified that our DWR grant application was approved for $600,000. The GSA group has started meeting with the first priorities being preparation of the “Request for Proposal” to select a consultant to develop the Groundwater Sustainability Plan (GSP), followed by the “Stakeholder Outreach”.
4) Usage Summary for 2017: Total demand for 2017 was 3,515 AF. Groundwater production was 793 AF or 22.5% of the total demand.
